„ Heaven or Hell?“

Diesen Comic veröffentlichen wir in der englischen Originalversion, weil die „Leben nach dem Tod-Verhältnisse“ nicht auf deutsche Rechtsanwälte übertragbar sind.

An Engineer dies and goes to Hell. Dissatisfied with the level of comfort, he starts designing and building improvements. After a while, Hell has air conditioning, flush toilets and escalators. The engineer is a pretty popular guy.

One day God calls and asks Satan, "So, how's it going down there?"

Satan says, "Hey things are going great. We've got air conditioning and flush toilets and escalators, and there's no telling what

this engineer is going to come up with next."

God is horrified. "What? You've got an engineer? That's a mistake - he should never have gone down there! You know all engineers go to Heaven. Send him up here!"

Satan says, "No way. I like having an engineer on the staff. I'm keeping him."

God says, "Send him back up here or I'll sue."

"Yeah, right," Satan laughs, "and where are you going to get a lawyer?"
